- *Liaisons* - Chris Hammer (City Staff), Kirk Robinson (Parks & Rec), Wayne Roth (City Council)
- *Others* - three community members

Call to Order 7:04 – Marsha Cutting

Acceptance of Agenda -- NMTAC Members

Approval of July 20 Meeting Minutes -- NMTAC Members

Public Comments -- Peter Harris and Ric Landgnroen of Squeaky Wheels offered their assistance in support of the ballot measure.

LANGENDOEN

City Engineer Report -- Chris Hammer

- Island-wide Transportation Plan -- The committee reviewed the Non-Motorized Systems Chapter of the IWTP and provided comments. Minor changes and corrections to the text and maps will be made.
- STO Bids Update -- The City received five bids in response to the RFP. All of the bids exceeded the \$2.2 million budgeted for the project. The apparent low bidder is Port Madison Enterprises. An estimated \$250,000 will need to be appropriated. The project will be rebid late October, and awarded by end of year.

Committee Discussion

- Discussion continued regarding using bonds to finance a significant number of Core 40 and other non-motorized improvements and the need to determine the total cost of the highest priority projects. The type of measure and approximate timeline were discussed, as well as the importance of community engagement and outreach. The topic will be added as a monthly agenda item for NMTAC meetings.
- Discussion of vehicle and pedestrian conflicts and parking issues on Point White Dr NE at Schel Chelb Playground

Liaison Report Out – Kirk Robinson

- There was an update on the potential for an Islandwood Trail connection and an RCO presentation on Hawley Cove
