

## CITY OF BAINBRIDGE ISLAND

February 14, 2011

Dear Bainbridge Island resident,

You are invited to participate in RePower Bainbridge, a community-wide program, dedicated to helping you save energy, reduce costs, make your home more comfortable and create a more sustainable Island. With your help, we can make a difference, not just in how the Bainbridge Island community uses energy, but how it saves energy.

In July 2010, the City of Bainbridge was one of 10 communities in the nation to receive an Energy Efficiency Conservation Block Grant (EECBG) award from the U.S. Department of Energy. Thanks to this award, the City of Bainbridge Island and key partners created RePower Bainbridge.

RePower Bainbridge provides in-home services and resources to help you achieve increased comfort, health and safety in your home. Participate in RePower Bainbridge, you'll benefit from:

- **A Free Home Energy Check-Up** to identify how your home uses energy and receive a plan with next steps on how to increase efficiency and reduce energy costs in your home. To help make immediate changes in your home, you'll receive a list of no-cost, low-cost tips and energy-saving products. Call RePower Bainbridge to schedule your free Home Energy Check-Up today.
- **Energy-efficiency financing**, cash-back incentives and tax credits to help offset the cost of your energy-efficiency upgrades.
- **Referrals to local, skilled contractors** who are up-to-date on the latest energy-efficiency requirements to complete your upgrades.

Schedule a free Home Energy Check-Up and spread the word to your family, friends and neighbors to help us achieve our goal of 4,000 homes. Want to learn more? Attend a community meeting to speak with RePower Bainbridge representatives and get involved:

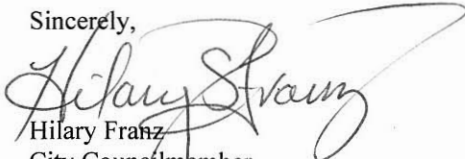

**March 22, 2011**

**6:30 p.m. – 8:30 p.m.**

**Bainbridge Island Senior Community Center  
370 Brien Drive Southeast, Bainbridge Island**

Can't make it to the community meeting? Visit [www.repowerbainbridge.org](http://www.repowerbainbridge.org) or call 1.877.741.4340 to schedule your free Home Energy Check-Up from RePower Bainbridge.

Sincerely,

  
Hilary Franz  
City Councilmember  
City of Bainbridge Island

  
Brenda Bauer  
Interim City Manager  
City of Bainbridge Island
